Connected SMART HOME

Supports for fixing modular devices of the ChoruSmart residential series, made of technopolymer with ribenhanced structure that guarantees high performance. The range includes versions for mounting plates with rectangular boxes with capacity for up to 12 modules, versions matching international standard plates on round/square boxes and versions for DIN rail. They are suitable for flush-mount or wall-mount boxes and are equipped with screw or fixing clutch systems. The convenient front coupling/disconnect system of ChoruSmart modular devices also allows you to house modular devices with 1/2, 1, 2 and 3 modules.
