**SUBJECT: REACH INFORMATION GEWISS ARTICLES**

Dear customer,

following your kind request, we would like to inform you that according to the EC Regulation No 1907/2006 (REACH Regulation) of 18/12/2006 and subsequent amendments, GEWISS S.p.A. is a **DOWNSTREAM USER / SUPPLIER OF THE ARTICLES** and for this reason, it does not have to register its products.

In particular GEWISS, in order to ensure the compliance with the Reach Regulation, asks its raw materials and components suppliers to:

- be acquainted with REACH requirements and fulfill them;
- constantly check the updating of SVHC substances list (candidate list of very high concern substances);
- provide GEWISS with full and accurate information related to the possible presence of SVHC substances within the substances/preparations/articles supplied.

At the current state of available knowledge, based on the communications received from suppliers until now, we inform that into some components of GEWISS articles listed below is present a SVHC substance in a quantity exceeding the 0.1% (weight/weight).

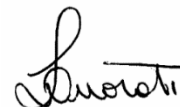

Therefore, as required by ECHA, we submitted the notification in the European SCIP database.

If we come to know any further information on the matter, we will promptly inform you about that.

We send our Best Regards

GEWISS S.p.A.  
QHSE & Sustainability Manager
