

Wiring device system specific for installations in round and square boxes, characterized by an elegant appearance and classic shapes. The plates, realized in technopolymer in seven colors and in different modularities, from 1 up to 5 gang, are installable indifferently in horizontal or in vertical position. The range, developed around a core of monobloc devices, is available in two colors: white and ivory, in glossy finish. Expandable thanks to the Chorus modular devices.

Kategori	Plate	Renk	Antrasit gri
Malzeme	Teknopolimer	Bitiş	Parlak
Tanım	1 m	Akkor Tel Deneyi	650 °C
